

High Chair Insert For MyChild Graze High Chair & Booster Seat

Fitting instructions:

1. Unclip the highchair buckle if fastened.
2. Detach the shoulder straps from the back of the highchair by feeding them through the harness holes at the back of the seat.
3. Place the insert into the highchair hooking the rear fabric over the top of the seat back.
4. Feed the harness and buckle clips through the button holes on the insert cushion.
5. Re-thread the shoulder straps through the back of the highchair seat unit.
6. Reclip the buckle when in use.
